

Yang-He Fu

Date of birth: 11/12/2007 | **Nationality:** Taiwanese | **Gender:** Male |

Address: Taiwan (Home)

• EDUCATION & TRAINING

01/09/2023 - 06/07/2026 - TAIPEI, TAIWAN

INTERNATIONAL BACCALAUREATE DIPLOMA- TAIPEI MUNICIPAL XISONG HIGH SCHOOL

Main Subjects

- Physics HL
- Chemistry HL
- Mathematics Analysis & Approaches HL
- English B HL
- Business Management SL
- Chinese A Language & Literature SL

Skills Acquired

- Advanced mathematical modeling and problem solving
- Physics-based analytical reasoning and experimental design
- Chemical analysis and quantitative laboratory methods
- Data interpretation and statistical analysis
- Academic writing and research skills (Extended Essay)
- Critical thinking and project-based learning (TOK, EE, IA)

Level in EQF: 4

01/09/2023 - 01/06/2026 - TAIPEI, TAIWAN

TAIWAN HIGH SCHOOL DIPLOMA- TAIPEI MUNICIPAL XISONG HIGH SCHOOL

- General secondary education
- Mathematics, natural sciences, languages, social sciences

Level in EQF: 4

28/04/2025 - 24/02/2026 - TAIPEI, TAIWAN

COMPLETION OF IB MATHEMATICS EXTENDED ESSAY- TAIPEI MUNICIPAL XISONG HIGH SCHOOL

- Application of logistic regression models in analyzing Tesla's market performance based on historical data
- Exploration of non-linear relationships between external factors and financial outcomes
- Statistical modeling, Python programming, and data interpretation

Level in EQF: 4

04/03/2025 - 20/09/2025 - TAIPEI, TAIWAN

COMPLETION OF IB PHYSICS SCIENTIFIC INVESTIGATION- TAIPEI MUNICIPAL XISONG HIGH SCHOOL

- Investigation of the relationship between solenoid density and the velocity of a magnet-battery train
- Demonstration of how electromagnetic principles inform motor and propulsion design
- A strong correlation results consistent with theoretical predictions

Level in EQF: 4

19/07/2025 - 21/07/2025 - TAIPEI, TAIWAN

CERTIFICATE OF COMPLETION: TOKYO ELECTRON AI SELF-DRIVING CART WORKSHOP - TOKYO ELECTRON LTD. (TEL) TAIWAN

- Neural networks in Python for obstacle avoidance in self-driving simulations
- Application of mathematical formulas into algorithms to solve practical problems

14/07/2025 - 18/07/2025 - KAOHSIUNG, TAIWAN

CERTIFICATE OF COMPLETION: AI BLACK-BOX COURSE- KAOHSIUNG MUNICIPAL KAOHSIUNG GIRLS' SENIOR HIGH SCHOOL

- Logistic regression model, perceptron, and multi-layer neural networks
- Skills in optimization, modeling, machine learning, and image recognition

01/07/2024 - 03/07/2024 - TAIPEI, TAIWAN

SCHOOL REPRESENTATIVE OF TAIPEI CITY EDUCATION EXPO 2024- DEPARTMENT OF EDUCATION, TAIPEI CITY GOVERNMENT

- Representing the school at the Taipei City Education Expo 2024
- Presenting business management research projects
- Explaining curriculum structure and learning outcomes to the public
- Communication and presentation skills in an educational outreach context
